USE THESE WORDS IN THE CORRECT FORM

Cycling Across the Ocean

The Subhuman Project' is one man's dream to cycle 3,700 kilometres just below the surface of the Atlantic Ocean in a pedal powered submarine. The man is Ted Ciamillo, an engineer,

1) and entrepreneur, who says that he hopes to make the journey in just fifty days. Ciamillo will pedal two metres below the ocean surface for 6 hours each day. He will breathe through a(n) 2) designed snorkel or, for deeper dives, through a scuba system. At night, he will come up to the surface and sleep in a tent erected on top of the submarine.

3) cameras mounted on the submarine will record everything from huge whales to tiny plankton. They will even capture 4) such as floating rubbish. Naturally, marine biologists are excited by the large amount of data Ciamillo could gather for them on his 5)

Once a day, Ciamillo will meet with a support boat that will follow him for his entire journey to replace dead batteries, air cylinders and other 6)

Kate's Vacation

Kate is going on a trip next week. She wrote about her plans in her diary. Since Kate's trip will happen in the future, make sure her verbs are in the future tense. Underline the correct verb in each sentence.

Dear Diary,

I (**left**, **will leave**) for the beach next Monday. I am so excited! I (**will play**, **played**) in the ocean. I (**eat**, **will eat**) ice cream on the beach. I (**will build**, **built**) sand castles, too!

At night I (**will watch**, **watched**) the sun set. Then I (**rode**, **will ride**) the giant roller coaster. I (**will take**, **took**) pictures of everything to show my friends back home. I (**buy**, **will buy**) a treat to share with them, too!
